PRESIDENT'S MESSAGE

Hi All,

I hope your summer has been a good one so far and your trees have grown well!

I'd like to tell you all about our board meeting last week. First off, it was a pleasure to have almost everyone there so we could start getting through my agenda and the items I believe we need to improve on. We had great discussions regarding expanding our newsletter, website, future shows and our membership. We also discussed membership dues and the clubs finances. More on the above in due time.

I have filled four Committee Chair positions; *Layne Rodney* Show Coordinator, *Mark Toepke* Program Director, and *Pete Halm* Webmaster. On that note, *Joan Thomas* has agreed to continue in her current role as Editor of the Yama Ki Newsletter. Please join me in welcoming and thanking these four people to their designated Chair positions. We are committed to providing good quality shows for our members and the public when we have the opportunity and I believe Layne brings strong commitment to the table. I also can tell you Mark has the most enthusiasm I have seen in a while and will also bring a strong commitment of providing you, the member, with some outstanding programs. When the subject of the website redesign came up Pete jumped at the opportunity to lead the charge...awesome! Lastly, I can't say enough about Joan, Editor of the Yama Ki Newsletter. A tireless individual who makes sure we all stay connected each month through our newsletter. Just take a look at the September newsletter and you will see a calendar of coming events for Yama Ki and other related Bonsai events.

Each month I will continue to bring you new and fresh information concerning the club and the continued improvements we plan to put forth. Please try to make as many of the meetings as possible. *A lot of information is shared and watch some awesome Bonsai Artists at demo/lectures and workshops!*

Sincerely,

John Cotoaggio, ronin812@gmail.com

President Yama Ki

Recently Purchased Demo Trees for our Fall 2012 Artist Bonsai Workshops

Trees purchased at New England Bonsai: <http://www.nebonsai.com>

On left - Colorado Blue Spruce (*Yamadori*)

On right - *Douglas Fir*. Douglas Fir trees are somewhat rare in bonsai, but only lately, as are they coming into their own. A *Douglas Fir* does in-fact make great bonsai and adapt well to growing in a pot!

Following their initial styling, the trees will be auctioned off at the Dec Yama Ki Holiday Party & Auction

PHOTOS FROM THE AUGUST MEETING

Members brought in trees and accent plants for advice and direction...then had a little fun too!

Fantastic News for Bonsai Lovers and Learners

FOR THE LOVE OF BONSAI

The American Bonsai Society will be returning to Saratoga Springs, NY - **Sept 12-15, 2013!**

Come and learn more about the art you love so much in a great American Walking city. Even non-bonsai spouses will love the area and enjoy the weekend. This will be an incredible learning weekend of terrific classes taught by some of the best bonsai teachers:

- Andy Smith
- Ed Trout
- Jim Doyle
- Julian Adams
- David Knittle
- Enrique Castano
- John Thompson
- Ted Matson
- Doug Hawley
- Frank Mihalic
- Jonathan Maples
- Pauline Muth

There is so much to choose from (44 classes offered, 4 classes are included with your registration). There are classes for novice and experts and all in between. Courses fill in the order the applications are received – so register early. Contact Pauline Muth (518) 882-1039, ABS 2013 Seminars Chairperson, Pauline@pfmbonsai.com for more detail, and a registration form. *Details will be posted in September on the www.loveofbonsai.com website (not available yet), so take advantage of this opportunity to register early!*
